

Spring 2017 Newsletter

We've Been Busy!

We've made significant changes this winter both inside and out.

Check out our new arrow sign at the entrance of the parking lot!

Filtered water and ice are now available 24/7 from the vending machine outside. We also have bagged ice available inside.

In the store you will see that the new shelves are well stocked with a variety of fishing, camping, and grocery items.

We now carry wine and spirits in addition to beer!

You'll find an assortment of pastries, fresh sandwiches in the cooler, and frozen items like pizza and burritos.

Keep an eye out for more improvements!

New! Referral Program

Do you know someone who is looking for a place to store their boat or camper? Help them out by referring them to Castaways at Coon Creek storage and help yourself in the process!

Refer a friend and earn a \$5 credit on storage for every month they rent during their first year, up to a \$30 credit per referral. That's one free month for you when they rent for six or more months! There's no limit on the number of referrals. Just have them note who referred them on their contract and start saving!

Example: Joe has an annual contract and refers a friend who stores a camper for 6 months. Joe receives a \$30 credit when he renews his contract, paying only \$265 instead of \$295. If Joe refers another friend who stores a boat for 3 months, he receives an additional \$15 credit and now owes only \$250 for the year.

There are some restrictions so check out the rules online at www.castawayscc.com/storage
